D E S C R I P T I O N :

Edge Consulting Engineers, Inc. is seeking engineering students interested in pursuing a design COOP position at our Prairie du Sac, WI location. Successful design candidates will assist our telecommunications engineering group using CAD and other software to develop plans and details for various projects.

No similar previous work experience is required. Strong communication and computer skills are desired. A valid driver's license and access to a vehicle is required. Limited travel and field work may also be necessary.

A B O U T E D G E :

Our main office is situated in Prairie du Sac, WI overlooking the Wisconsin River in a thriving rural community yet is within 30 minutes of the Madison metropolitan area. This location makes it especially appealing to individuals who are outdoor enthusiasts, those seeking cultural enrichment associated with the State's Capital, UW-Madison Alumni looking to return to their alma mater, as well as fans of the Wisconsin Badgers.

What type of person thrives at Edge Consulting? Individuals who:

- enjoy working on cutting edge telecommunications networks and fast paced projects;
- enjoy a challenging atmosphere and the ability to work with a team to help our clients succeed;
- want to work for a company that is focused on long -term success rather than the next quarter; and
- are motivated and enjoy the freedom to set their own career path.
