

POSITION :

Structural Engineering Co-Op

LOCATION :

Prairie du Sac, WI

STATUS :

Limited Term, Full-Time, Hourly

DURATION :

May 2022 – December 2022

DESCRIPTION :

Edge Consulting Engineers, Inc. is seeking qualified engineering students interested in pursuing a Structural Engineering Co-Op position in our Prairie du Sac, WI location. Successful candidates will assist our telecommunications engineering group in analyzing towers, foundations, buildings and other structures consisting of steel, concrete, masonry, wood and other materials. Other duties include developing analysis reports, plan details, and other engineering documents related to these projects using CAD software. Limited travel and field work may also be necessary. A valid driver's license and access to a vehicle are required.

DESIRED SKILLS/ABILITIES :

Qualified candidates should be in their sophomore year (or above) at an accredited University pursuing a Bachelor's degree in Structural Engineering. Strong oral and written communication skills and proficient computer skills are a must. The successful candidate should be well organized and have exceptional attention to detail. Prior related work experience is not required, however, experience with drafting software (i.e. Microstation, AutoCAD, Revit) is a plus. Training will be provided. Candidate must also demonstrate excellent interpersonal skills and the desire to contribute to both team and client success.

ABOUT EDGE :

We believe our company is only as good as the individuals it is comprised of, which is why we seek to hire the best! Edge Consulting Engineers, Inc. was founded in 2002 and is a full-service engineering consulting firm offering civil, structural, environmental and telecommunication engineering services to public and private sector clients throughout the upper Midwest. We are proudly headquartered in Prairie du Sac, Wisconsin on the bank of the Wisconsin River, with a branch office in Burnsville, MN. We are dedicated to the long-term success of our clients, their projects, our company, and the people within our organization. As a result, we go beyond completing the specific tasks we are assigned, and do what is necessary to exceed expectations. If this philosophy aligns with your own, consider a career opportunity with Edge!

What type of person thrives at Edge Consulting? Individuals who:

- enjoy working on cutting edge telecommunications networks and fast paced projects;
- thrive in a challenging atmosphere and desire the ability to work with a team to help our clients succeed;
- are dedicated to exceeding customer expectations and won't back down from a challenge;
- want to work for a company that is focused on long-term success rather than the next quarter;
- are committed to personal growth and development and take a continuous learning approach.
